

## Mission

Our mission is to earn a profit by providing businesses with products and services which improve workplace productivity and reduce acquisition costs allowing us to enrich the lives of our employees and reinvest in our community.

## Vision

Perry Office Plus will:

be guided by Christian principles and conduct all business with honesty, integrity, fairness, and a spirit of goodwill.

be the best value provider of innovative workplace products and services in the markets we serve.

build mutually beneficial relationships with businesses by effectively communicating the benefits of partnering with Perry Office Plus.

enhance our customers' productivity and reduce their costs of procurement by listening, evaluating and offering custom streamlined acquisition solutions.

continually seek to improve our processes, drive efficiencies and eliminate errors to better serve our customers and improve our bottom line.

utilize all available technology to efficiently carry out our vision including marketing our company, building relationships, developing customer solutions, streamlining processes and improving our quality of service.

enrich our staff through education and advancement opportunities and reward them through incentives and appreciation programs.

support organizations and causes that align with our core values and make a positive impact on the communities we serve through donations and community involvement.
